

THINK AUTOMATED

UNLOCK EXTREME VALUE AND PRODUCTIVITY WITH DEEPLY DISCOUNTED
WALTER AUTOMATION SYSTEMS. NOW THROUGH SEPTEMBER 30, 2026.

Way back in 1953, the pioneers at WALTER introduced the world's first fully automated tool grinder. Automation has been a key focus of the work we do ever since, and we want to make it easier for customers to access the productivity boost automated tool grinding can deliver.

So from now until September 30, most* new WALTER tool grinders will automatically receive either a completely free Top Loader or a deeply discounted Robot Loader. If you've been on the fence about purchasing your first (or next) tool grinding machine, this is the time to lock in huge savings while unlocking maximum productivity.
